

TERMS AND CONDITIONS - YANMAR EXTENDED LIMITED WARRANTY FOR TN SERIES ENGINES

1. EXTENDED LIMITED WARRANTY

1.1 Yanmar Europe B.V. ("Yanmar") offers an extended limited warranty (the "Extended Limited Warranty") to the first purchaser not acting as a reseller (the "Purchaser") of any Yanmar TN Series engine bearing a Yanmar brand, manufactured from January 1st, 2021, onwards, which has been sold by Yanmar directly, or to OEMs (original equipment manufacturers), or through its distribution network in one of the countries listed in Annex I (the "Engine")

1.2 The Extended Limited Warranty extends the standard limited warranty for the Engine, so that the total warranty period shall be a maximum of either 60 (sixty) months from the date of purchase by the Purchaser of the OEM machine in which the Engine is installed or five thousand (5,000) total engine operation hours, whichever occurs first (the "Extended Limited Warranty Period"), and is valid only until the Extended Limited Warranty Period has passed.

For information regarding the standard limited warranty, please refer to the operation manual of the Engine (the "Operation Manual").

1.3 Yanmar warrants to the Purchaser that the Engine will be free from defects in material and/or workmanship for the duration of the Extended Limited Warranty Period.

Note: Yanmar engines may be equipped with external components including, but not limited to: wiring harnesses, electrical devices, control panels, radiators, air filters, fuel filters, and/or exhaust systems that are supplied and/or installed by manufacturers other than Yanmar. For warranty information on such external components, please contact the machine or component manufacturer directly or see your authorized Yanmar dealer or distributor.

1.4 The Extended Limited Warranty is provided in lieu of all other warranties, express or limited. Yanmar specifically disclaims any implied warranties or merchantability or fitness for a particular purpose, except where such disclaimer is prohibited by law. If such disclaimer is prohibited by law, then implied warranties shall be limited in duration to the life of the express warranty. The Purchaser may have certain rights under statutory (consumer) law, and this Limited Warranty in no way affects or prejudices such rights.

1.5 Yanmar warrants to the Purchaser that, subject to these terms and conditions, Yanmar will make such repairs and/or replacements at Yanmar's option, of any part(s) of the Engine found to be defective in material and/or workmanship. Such
