YANMAR SEASONAL PARTS CAMPAIGN 2022

RULE SET

To benefit from the seasonal program, the following conditions needs to be met:

- Maximum of one seasonal order per year.
- The minimum order amount is 1000 euros.
- The minimum lead time is 45 days.
- The order category is Monthly Order.
- The seasonal order must be placed with the reference “SP2022”, by taking the following steps:

1 STEP

Yanmar dealer creates an estimate in YDS under customer reference “SP2022”during the order taking period and sends it to: parts.conew-yeu@yanmar.com

2 STEP

The team of Parts Conew will check if the estimate is created conform the conditions. If conditions are met, the discount wil be aplied and the order will be finalized.

3 STEP

Yanmar will start order fulfilment process and delivers order with minimum leadtime of 45 days.

Duration:
The program starts on 1 August and ends on 18 September.

Lead time:
The minimum lead time of the MO is 45 days.

Prices and discounts:
7% discount on MO price. No returns accepted.

Shipment method:
Orders will be shipped from YANMAR Europe warehouse facilities by road or sea (no airfreight). The complete order will be shipped as one shipment on the due date.

Payment conditions:
Current payment conditions apply. One order over €50.000 can be split in two deliveries

Eligible parts:
Preventive parts (See the eligible parts list)

Excluded parts:
All item not mentioned on the eligible item list

Note
YANMAR reserves the right to cancel parts in seasonal program orders. Terms and conditions apply.
