Yanmar America Unveils Groundbreaking E-Tractor at Equipment Expo 2023

Yanmar America's e-tractor concept will be shown for the first time at Equipment Expo 2023.

Yanmar America is at Equipment Expo Booth 1230 and Demonstration Area 7632D

Louisville, KY (October 17, 2023) – Yanmar America, a leading provider of innovative agricultural and industrial solutions, is set to dazzle attendees at Equipment Expo 2023 with the debut of its cutting-edge e-tractor concept. This all-new development from Yanmar marks the first public appearance of the innovative electric tractor concept, offering users a versatile powertrain selection tailored to their specific work needs.

A key highlight of the e-tractor is its utilization of advanced batteries sourced from Yanmar Group subsidiary ELEO, headquartered in the Netherlands. ELEO is renowned for its pioneering battery technology, incorporating proprietary safety and efficiency features.

ELEO's modular battery systems, showcased at CONEXPO 2023, enable flexible configurations to suit various machinery and power demands. Safety remains a top priority, with ELEO's batteries designed to meet stringent industry safety standards.

Yanmar America's prototype e-tractor represents a significant stride toward sustainable, efficient, and adaptable farming equipment, underscoring Yanmar's commitment to innovation and environmental responsibility. Visit Equipment Expo 2023 to witness this groundbreaking advancement in action.

About Yanmar America Corporation
