## Yanmar Unveils New Design of “Yanboh and Marboh” Characters

***Moving Hearts, Moving Towards the Future.***

New design of Yanboh and Marboh

Osaka, Japan (January 30, 2024) - Yanmar Holdings Co., Ltd. has announced the results of its a global public online poll for the new design of Yanmar Group's corporate characters, Yanboh and Marboh. The poll received an overwhelming response with 76,568 votes. The design receiving the highest number of votes from among the three options was selected for the 9th generation of Yanboh and Marboh, positioning the characters for their exciting global debut.

Yanboh and Marboh made their debut in the "Yanboh and Marboh Weather Forecast" on Japanese television in 1959 and have been beloved anime characters in Japan for over half a century. The new design renewal presents Yanboh and Marboh as characters set to take on new challenges and realize future possibilities together. The driving force behind Yanboh and Marboh, characters who have thrilled generations of television viewers in Japan, is curiosity.

Yanmar is committed to realizing "A SUSTAINABLE FUTURE" by recognizing people's potential, supporting their endeavors, and actively engaging with the needs of society. Just as Yanmar's founder's passion for technology was once the driving force behind widespread adoption of diesel engines and agricultural development, Yanmar now seeks to use the power of technology and people shaping the future to create and develop innovations and realize a new kind of prosperity. Together with Yanboh and Marboh, Yanmar will pass on the baton of potential towards a better tomorrow by, "Moving Hearts, Moving Towards the Future" for people of all ages, nationalities, and regions.
