Yanmar Named Title Sponsor of Dragon Gold Cup 2026

Key visual

Osaka, Japan (March 12, 2026) – Yanmar Holdings Co., Ltd. will serve as title sponsor of the Dragon Gold Cup 2026, the premier regatta of the International Dragon class in competitive sailing. The YANMAR Dragon Gold Cup 2026 will be held March 14–21, 2026, in Mallorca, Spain. Yanmar has continuously sponsored the Dragon Gold Cup since 2019.

The International Dragon class is a globally popular sailing class, with numerous races held throughout the year. Through its sponsorship of the Dragon Gold Cup, the Yanmar Group aims to advance its vision of “A Sustainable Future” in the marine sports sector.

Through its long-standing connection to the sea, Yanmar has cultivated a strong foundation of innovation and technical expertise, developing solutions that support and elevate life on the water. Its engagement with the Dragon Class underscores a deep appreciation for marine sports and a desire to inspire greater enjoyment of the ocean. This commitment aligns with the company’s purpose, “A Sustainable Future,” reflecting its ongoing efforts to promote sustainable and fulfilling marine experiences for generations to come.

About the Gold Cup

The Gold Cup originated in 1937, when the Clyde Yacht Clubs Association organized a regatta to

promote international exchange through yacht racing. It has since become one of the major events of the International Dragon class and is regarded as one of the most prestigious competitions in the sport of sailing. The 2026 regatta will take place in Puerto Portals, located in southwestern Mallorca.

About Yanmar

With beginnings in Osaka, Japan, in 1912, Yanmar was the first ever to succeed in making a compact diesel engine of a practical size in 1933. A pioneer in diesel engine technology, Yanmar is a global innovator in a wide range of industrial equipment, from small and large engines, agricultural machinery and facilities, construction equipment, energy systems, marine, to machine tools and components — Yanmar's global business operations span seven domains. Guided by its Brand Statement, "A Sustainable Future – New Value Through Technology," Yanmar provides advanced solutions to the challenges customers face on land, at sea, and in the city, working towards realizing a sustainable future.
