

# VX38

Centerline length: 12.39m Width: 3.40m Depth 1.93m

## Newly designed special curvy-shaped stem

The longer waterline translates to a smoother ride, superior course tracking, and confident handling in rough seas, rivaling much larger boats.

## Bow thruster(Factory Option)

Improved docking and low-speed maneuvering

## Large-sized fin keel

Big Opening on fin keel to counteract the forces of wind and waves

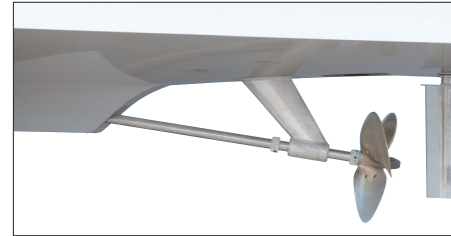

## New Flare Shape

The innovative flare shape offers more deck space while minimizing spray for enhanced comfort.

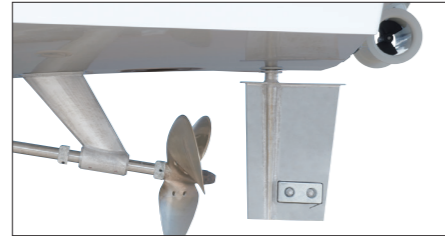

Reduced chine overhang to improve planing efficiency

A generous entry angle at the bow cuts through waves more smoothly.

## Uniaxial inboard direct drive system

Achieves stable running with a well-balanced center of gravity.

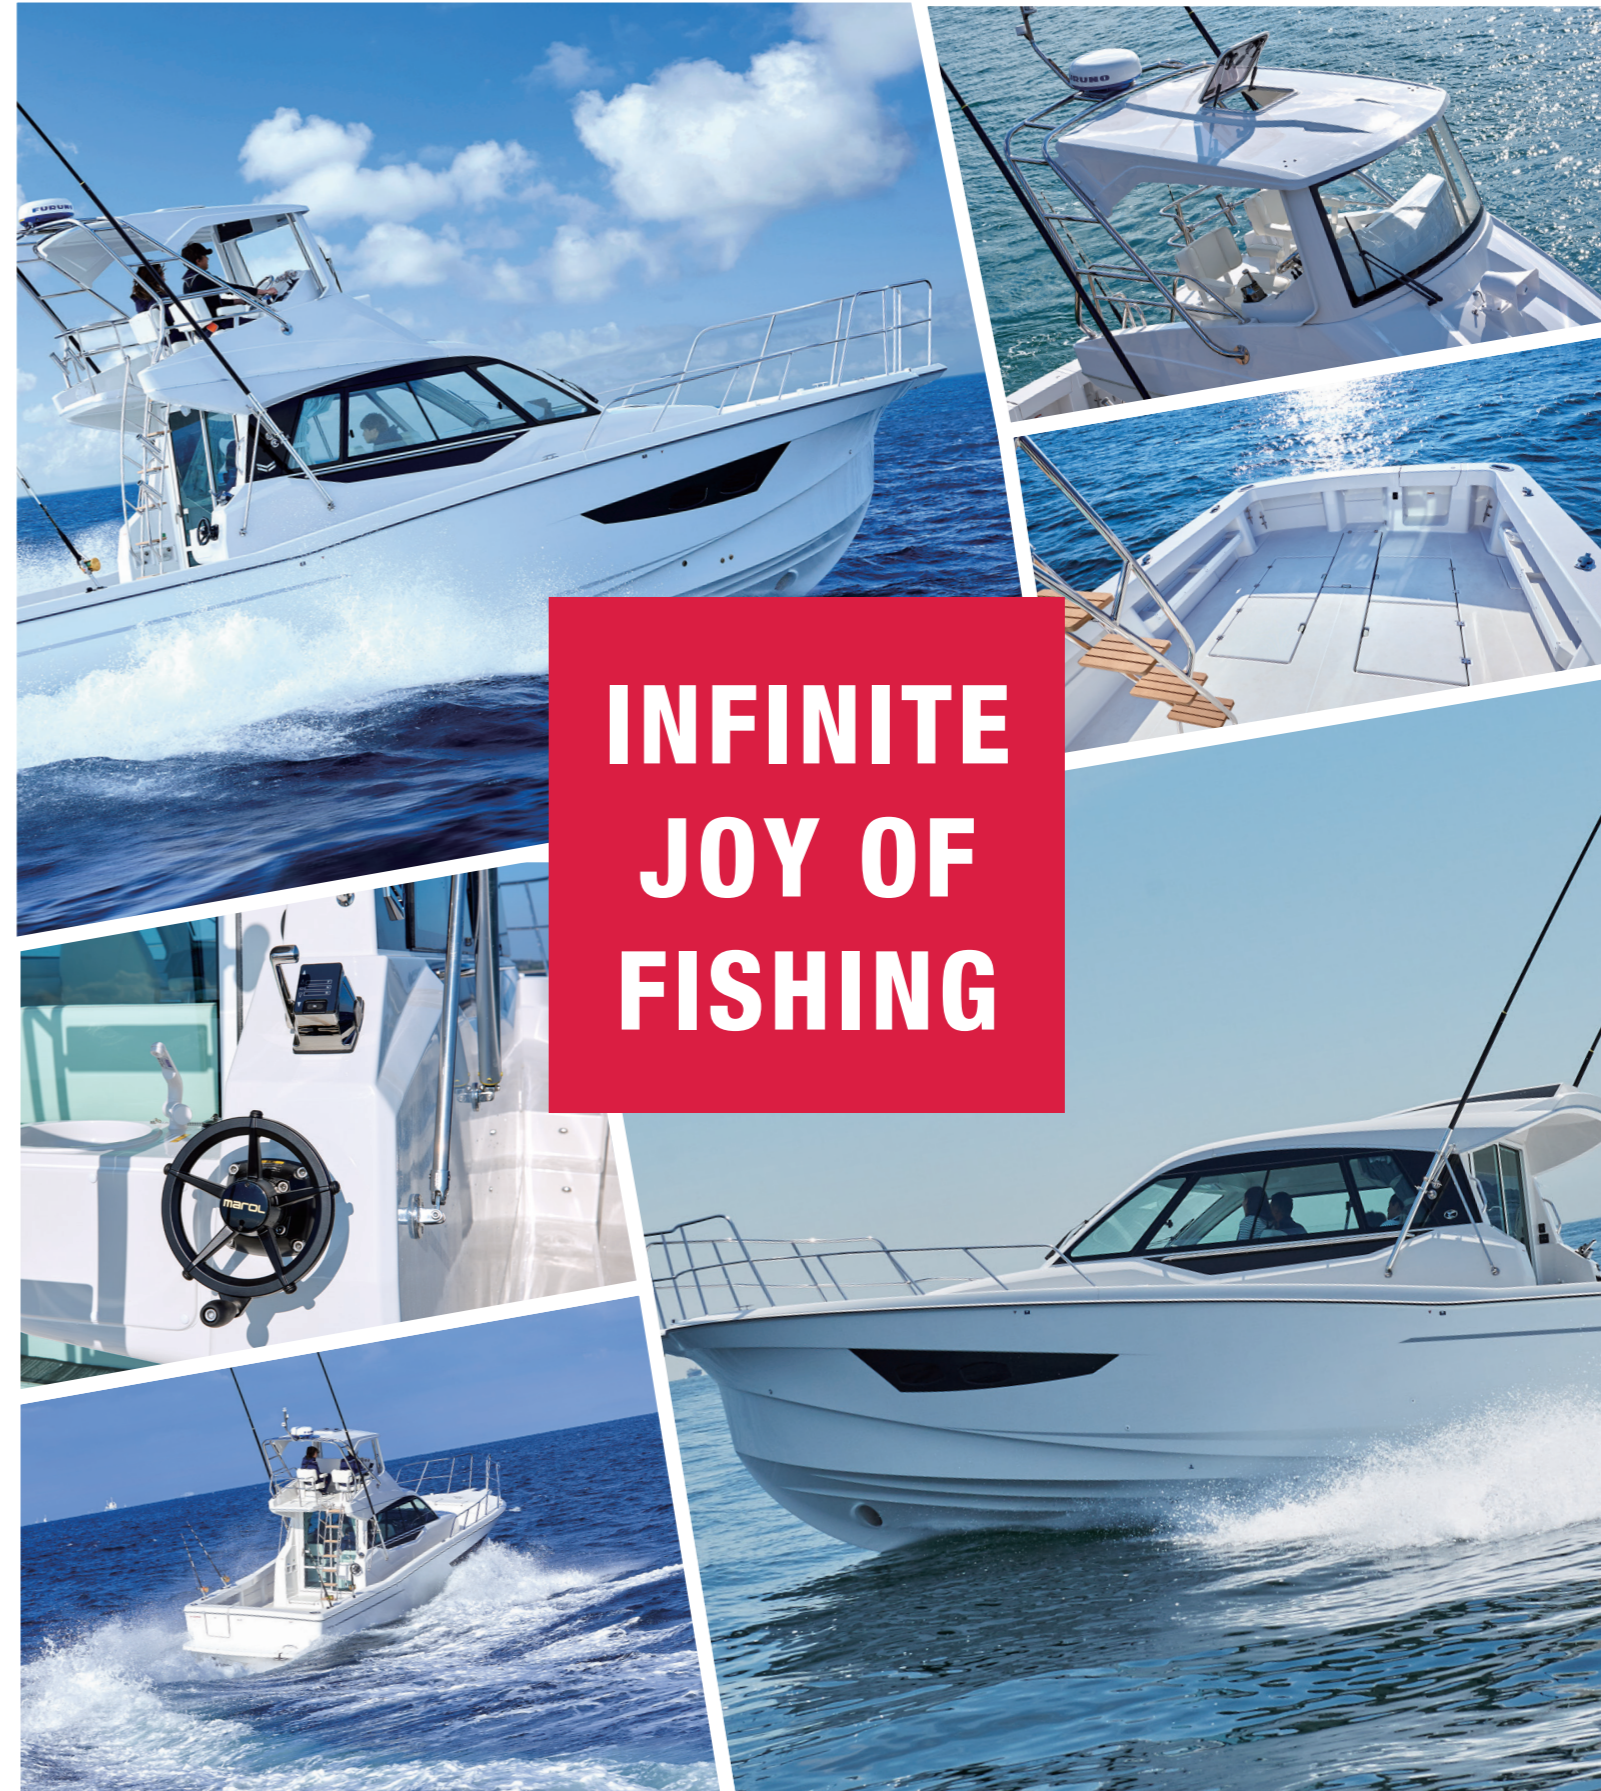

## New transom shape

Suppresses hump during acceleration and ensures good visibility.

## Electric trim tab

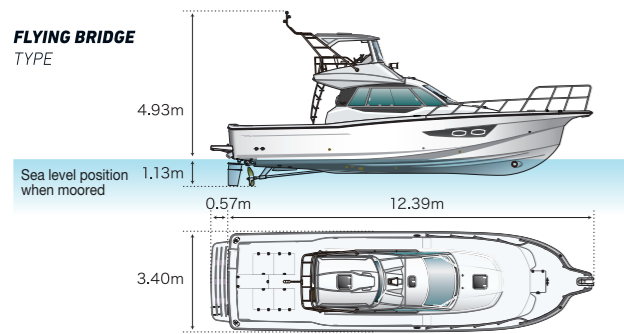

The running posture can be adjusted optimally.

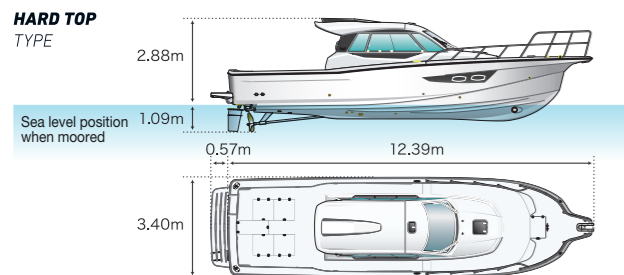

**INFINITE  
JOY OF  
FISHING**

## DIMENSIONS

### FLYING BRIDGE TYPE

### HARD TOP TYPE

## SPECIFICATIONS

<b>Model</b>	VX38A
<b>Full Length</b>	12.39m
